45,00€

Our unisex „Havana“ sweatpants for kids are pleasantly soft and retain their shape thanks to the blended fabric (65% cotton and 35% polyester). The wide fit and elastic waistband with drawstring make them super comfortable. You'll cut a fine figure in these shorts not only on the way to the game, but also when chilling on the sofa. The sweatpants have two side pockets with zip and a back pocket. A hoodie (Caracas) is also available to match the sweatpants.

This functional field hockey windbreaker has been specifically developed for training sessions and match play in rainy conditions. The waterproof outer material provides reliable protection against rain and wind without restricting freedom of movement. Its relaxed fit combined with a lightweight, flexible fabric allows for quick directional changes, low body positions, and dynamic running movements—ideal for the demands of field hockey.

The integrated hood offers additional protection in changing weather conditions, while the half-length zipper allows for quick on and off as well as adjustable ventilation. Elastic cuffs at the sleeves and hem ensure a secure fit and help prevent water from entering. Practical zippered pockets provide space for small essentials during training.

A dependable companion for intense training sessions and match days in the rain—functional, lightweight, and purpose-built for field hockey.

You will love these high-quality socks with foot. They are super comfortable thanks to the reinforcement with high-performance pads on the foot and heel, and the flat toe seam increases the wearing comfort even more. The elastic ankle area provides extra strength around the ankle and the mesh pattern in the calf area supports ventilation. The socks have proven to be very durable and also easy to care for.

Material: 70% polyamide / 27% cotton / 3% elastane
